

DAVIDSON COUNTY AGENDA ITEM

TO: BOARD OF COMMISSIONERS

DEPARTMENT: County Manager

PREPARED BY: Debbie Harris

TITLE: Resolution Supporting Lexington City Schools' Facility Improvement Project

BACKGROUND:

Attached for your review and consideration is a Resolution to acknowledge and support the execution of a Guaranteed Energy Savings Contract by the Lexington City Schools' Board of Education. This Contract is to pursue energy conservation measures throughout the Project, which is not to exceed 20 years from the date of installation and acceptance. The energy savings from the Project are expected to equal or exceed the total cost of the Project. The Resolution sets out that the Board of Commissioners does not intend to reduce appropriations to the School Board based upon any reduction in energy costs, to allow the School Board to enjoy any savings for other capital project uses as deemed appropriate by the School Board. The Facilities Committee heard this proposal on March 5, 2019 and directed School Board to proceed with the preliminary steps. This Project will require no additional County funds.

RECOMMENDATION(S):

Adopt resolution.
