Jon Duesman
Minneapolis Park and Recreation Board

RE: GRACO PARK

Dear Jon,

Snow Kreilich Architects and Aune Fernandez Landscape Architects (the "Design Team") have reviewed the bids submitted for the Graco Park and Building project (the "Project"). The bid submitted by Ebert contains the information required by the bidding documents. The Design Team are not aware of any facts or circumstances indicating that Ebert Construction is not a responsible contractor for the Project. Based upon this information, Ebert Construction appears to be the lowest responsive and responsible bidder for the Project, and the Design Team understands that the Minneapolis Park and Recreation Board (the "Board") intends to award the Project to Ebert Construction. The Design Team sees no reason to disagree with the Board's decision to award the Project to Ebert Construction.

Best regards,

Mary Springer
Snow Kreilich Architects

Carlos Fernandez
Aune Fernandez Landscape Architects
