President Forney and Commissioner Alper:

The Minneapolis Park and Recreation Board (MPRB) elects a Commissioner to serve on the Minneapolis Planning Commission as a representative of the Minneapolis Park Board as do certain other elected bodies to ensure planning decisions involve various elected bodies.

At this time the MPRB has not taken a position on the Roof Depot project that is pending before the City Planning Commission. This matter has generated interest from the community, as yet there has been no discernible MPRB interests identified related to this project and the Park Board has taken no position on this project.

Very Truly Yours,
