BACKGROUND

The Minneapolis Park and Recreation Board approved three parking lot pavement projects at Corcoran, Bryant Square and Fuller Parks in the 2011 Capital Improvement Plan. The parking lot in Longfellow Park was not in the 2011 CIP but suffered significant deterioration the past winter. As a result, it was added to the construction documents as an alternate in hopes of favorable bids.

Bids have been received and tabulated with a low base bid in the amount of $72,900 with the alternate Longfellow parking lot in the amount of $3,000 from Bituminous Roadways Inc. with a combined total bid of $75,900. The combined total bid of $75,900 is within the project budget.
