Mrs. Erin Clements
New Mexico Audit Force,
erin_hughs@yahoo.com

Erin,

In light of complaints received by the County and the Joint Risk Voter Risk Advisory issued by the New Mexico Secretary of State and Attorney General, we offer the following clarification and guidance. We understand and appreciate that New Mexico Audit Force partnered with Echomail to provide volunteer services in furtherance of the 2020 Election Audit directed by this commission. However, we want to ensure that NM Audit Force and its volunteers are not misrepresenting themselves as county officials to Otero County residents. For the continued duration of your canvassing efforts, we request that your volunteers clearly identify themselves as volunteers with NM Audit Force. This includes the use of nametags that allow residents to easily see the identity and affiliation of the canvasser at their door. We truly appreciate the effort of your organization and your volunteers to ensure the accuracy of Otero County voter rolls.

Sincerely yours,

THE BOARD OF COUNTY COMMISSIONERS
OF OTERO COUNTY
