**SUBJECT:** Community Development and Services: Adopt resolution determining and imposing assessments within Linda Lighting and Maintenance District (five minute estimate)

**DATE:** May 28, 2019

**NUMBER:** 279/2019

### *Recommendation*

Adopt the attached resolution determining and imposing assessments within the Linda Street Lighting Maintenance District for fiscal year 2019-2020.

### *Background*

The Linda Street Lighting Maintenance District was formed on August 7, 1967, pursuant to the Improvement Act of 1911 (Streets and Highways Code, Division 7, Part 3, Chapter 26, commencing with section 5830). Annual assessments are imposed upon each parcel of real property within the district on the basis of the estimated benefit to the parcel in a cumulative amount sufficient to cover the annual expense of maintenance and operation of the electrical street lighting system located within the district.

### *Discussion*

Streets and Highways Code section 5830.1 requires lighting maintenance assessments to be levied pursuant to Chapter 6.1 (commencing with Section 54703) of part 1 of Division 2 of Title 5 of the Government Code (The Benefit Assessment Act of 1982). Government Code section 54717, subdivision (c), authorizes the Board of Supervisors to annually determine the cost of the service, which is financed by the assessment, and by ordinance or resolution, determine and impose the assessment.

*Committee Action:*

The Land Use & Public Works Committee was bypassed as this action is routine in nature and occurs annually.

*Fiscal Impact:*

Non-General Fund - \$0
