The County of Yuba
County Administrator

TO:              Board of Supervisors

FROM:           Deputy Director of Emergency Services, Scott Bryan

SUBJECT:        Adopt resolution to approve ongoing local emergency proclamation due to Flood Waters.

DATE:           August 11, 2020

NUMBER:         379/2020

Recommendation: Adopt resolution to approve renewal of ongoing local emergency proclamation due to Flood Waters.

Background: Due to historic precipitation and snowmelt beginning on approximately January 7, already full tributaries and reservoirs swelled causing widespread flooding within the Levee Systems along the Yuba and Feather Rivers on January 9, 2017.

Discussion: The flooding, which occurred along the Yuba and Feather Rivers of the County, required the following: evacuation of persons from their homes and businesses, emergency response by law enforcement, fire services and emergency services personnel and caused damage to public and private property. Due to ongoing floodwater inundation, the damages cannot yet be calculated. Therefore, it is recommended that your Board proclaim a local emergency until the end of the incident period per Govt. Code Section 8630(c). This proclamation of emergency will be presented to the Board for review and renewal no less than once every thirty days. Per Govt. Code Section 8630(d) this proclamation of emergency shall be terminated as soon as reasonably possible.

Committee Action: There was no committee action due to this being an on-going Board of Supervisors item.

Fiscal Impact: Fiscal impacts have yet to be fully determined.
