**TO:** Board of Supervisors

**FROM:** Auditor/Controller, Richard Eberle

**SUBJECT:** Adopt resolution establishing the 2020-2021 Appropriations Limit for Special Districts governed by the Board of Supervisors.

**DATE:** 9/8/2020

**NUMBER:** 424/2020

## *Recommendation*

Approve and adopt the 2020-2021 Appropriation Limits for Special Districts governed by the Board of Supervisors.

## *Background*

Pursuant to Article XIII B California State Constitution the appropriation limits for Special Districts governed by the Board of Supervisors is calculated each fiscal year using the Price and Population per capita as required by R&T 2227 from the Department of Finance.

## *Discussion*

In a manner similar to the calculations performed for the County's appropriations limit, the Auditor-Controller calculates the appropriations limits for special districts governed by the Board of Supervisors. Using the same methodology for the County's calculation, the appropriations limit for the 2020-2021 fiscal year has been set.
