SUBJECT: Community Development and Services Agency: Resolution authoring Community Development and Services Agency to enter into a Memorandum of Understanding with SACOG for REAP funds.
DATE: August 25, 2020
NUMBER: 433/2020

Recommendation
Adopt the attached resolution authorizing Yuba County Community Development and Services Agency to enter into a Memorandum of Understanding with SACOG for REAP funds.

Background/Discussion
In 2019, Assembly Bill 101 passed and established the Local Government Planning Support Grants Program to provide regions and jurisdictions with one-time funding to establish priorities that increase housing planning and accelerate housing production. Under Assembly Bill 101, the Regional Early Action Planning (REAP) funding source was created which is intended to address the unique housing priorities and planning needs of the various Council of Governments (COG) in California. Sacramento Area Council of Governments (SACOG), as the regional COG for Yuba County, received approximately 7 million dollars through REAP to allocate to Cities and Counties in the SACOG Region.

SACOG has set aside $3,823,000 for non-competitive grants for member jurisdictions and Yuba County is entitled to a Round 1 funding in the amount of $19,000 which is required to be spent on Housing Element related work and Round 2 funding in the amount of $65,000 with respective spending guidelines to be announced in early 2021.

SACOG requires the County of Yuba to enter into a Memorandum of Understanding in order to receive REAP funds.

Committee Action
Due to time constraints, this item is being presented directly to the full Board for consideration. The executed REAP MOU is due back to SACOG in early September 2020.
