

The County of Yuba

Community Development and Services Agency

TO: Board of Supervisors

FROM: Community Development and Services Agency, Daniel Peterson

SUBJECT: Adopt resolution certifying the 2020 Maintained Mileage of Yuba County Road Network.

DATE: April 27, 2021

NUMBER: 190/2021

Recommendation

Approve resolution certifying the 2020 Maintained Road Mileage and Functional Classification.

Background

Staff updates this list annually to reflect changes during the previous year due to road abandonments, additions from new construction, and urban boundary changes.

Discussion

Section 2121 of the Streets and Highways Code requires each County to certify to the California Department of Transportation on an annual basis the number of miles in our road system and the functional classification of all street and road segments. Exhibit "A" – Tabulation, Exhibit "B" – Functional Classification Definitions, and Exhibit "C" – Functional Classification Map, have been filed in the Office of the Clerk of the Board of Supervisors indicating that 0.82 miles are being added to the County's road system for 2020.

Committee Action:

The Land Use and Public Works Committee was by-passed because the Board of Supervisors certifies the Maintained Road Mileage and Functional Classification on an annual basis.

Fiscal Impact:

General Fund Impact- None

Non-General Fund Impact- None

Source of Funds- None
