DATE: September 27, 2022
NUMBER: 490/2022

Recommendation

Authorize Chairman to execute license agreement between the County of Yuba and Marysville Little League Baseball, Inc.

Background

The northeastern corner of the Tri-County Juvenile Rehabilitation Campus at 1023 14th Street is the location of an abandoned Little League ballpark known as Chiono Field. The field has not been used to support Little League activities for many years. Marysville Little League indicates a desire to utilize the fields due to a great need for safe fields for their youth to practice and play on.

Discussion

The field has not been utilized and maintained for many years. Marysville Little League desires to increase available ballpark space to improve safety and program needs of youth wishing to participate in Little League activities. Reviving use of the field will also provide a pro-social environment and enhance recreational and employment skills opportunities for our youth in the Camp Singer program.
