**SUBJECT:** Hold Public Hearing and Adopt Resolution Confirming the Diagram and Assessments within the Gledhill Landscaping and Lighting District. (Five Minute Estimate)

**DATE:** May 9, 2023

**NUMBER:** 154/2023

### *Recommendation*

The department of Public Works recommends that the Board of Supervisors hold a public hearing and adopt the attached resolution confirming the diagram and assessments within the Gledhill Landscaping and Lighting District.

### *Background*

On April 25, 2023, your Board approved a resolution adopting the Engineer's Report and declaring an intention to levy and collect assessments within the District and established that a public hearing be held on May 9, 2022 at 9 a.m. in the Board of Supervisors Chambers.

### *Discussion*

The assessment, shown in the Engineer's Report, will provide revenue needed to operate the district for fiscal year 2023/2024. There has been no change in the assessment rate from last year's rate. There are approximately 4172 dwelling units that are assessed at \$13.20 for the total revenue of \$55,070.40 for the fiscal year 2023/2024. The County uses these funds to maintain landscaping, repair recreational equipment, improve existing irrigation, install new irrigation and landscaping, and other work required to operate the district.

### *Committee Action*

The Land Use & Public Works Committee was bypassed as this action is routine in nature and occurs annually.

*Fiscal Impact*

None. Administrative time only.
