**DATE:** May 9, 2023

**NUMBER:** 212/2023

### *Recommendation*

Community Development and Services Agency staff recommends the Board of Supervisors approve 5-year operator agreement and use permit for Eric Nelson at the Yuba County Airport, and authorize Chair to execute.

### *Background & Discussion*

Eric Nelson currently owns a private hangar on privately owned property, inside the fence at the Yuba County Airport. He has direct access to the taxiway system for the Airport, which is viewed by the FAA as a privilege, not a right, requiring an agreement between the Airport and the property owner.

### *Committee Action*

This item is being brought directly to the Board of Supervisors due to the routine nature of this request.

### *Fiscal Impact*

Revenue from this agreement will realize \$1,080.00 annually with no incurred cost to the County.
