

The County of Yuba

Information Technology

TO: Board of Supervisors

FROM: Information Technology, Steve Oehler

SUBJECT: Adopt resolution to ratify execution of master maintenance agreement with Maverick Networks, Inc. and authorize Chair to execute.

DATE: September 26, 2023

NUMBER: 429/2023

Recommendation:

Information Technology staff recommends the Board of Supervisors approve resolution to ratify execution of master maintenance agreement between Yuba County and Maverick Networks, Inc. for phone network services, and authorize Chair to execute.

Background & Discussion:

Yuba County Information Technology has been working with Maverick Networks, Inc. to provide software maintenance and upgrades to the Mitel phone systems since 2008. All Yuba County departments are equipped with Mitel phones, procured through a cooperative purchasing agency.

As a platinum partner of Mitel, Maverick Networks, Inc. provides consultation and management services to ensure optimal communication as well as the software upgrades to the 3300 Mitel devices. Onsite services are available to the county in addition to after hours emergency support to ensure coverage of Yuba County Public Safety Departmental Mitel equipment. The total cost is \$81,595.87 for a 12-month term.

Staff recommends the Board approve the resolution ratifying the execution of the master maintenance agreement and authorizes the Purchasing Agent to execute any subsequent documents necessary subject to approval of County Counsel.

Committee Action:

This item is brought directly to the Board of Supervisors due to the nature of the request.

Fiscal Impact:

Budget

Board Approved FY 2022-23 Budget Appropriation

Utilize existing appropriation from FY 2022-23 Budget within the same category

Total projected cost for FY 2022-23 is \$81,595.87

Source of Funds

General Fund-\$81,595.87
