FROM: Administrative Services, Perminder Bains

SUBJECT: Approve termination agreement with Presidio Technology Capital LLC. for provision of information technology network equipment and authorize Chair to execute.

DATE: February 13, 2024

NUMBER: 55/2024

Recommendation:

Administrative Services' staff recommends the Board of Supervisors approve the termination agreement for Property Schedule 8 with Presidio Technology Capital, LLC. for provision of information technology network equipment, and authorize Chair to execute.

Background & Discussion:

Yuba County has been in contract with Presidio Technology Group, LLC since 2013. In June 2018, the Board of Supervisors executed the Property Lease Schedule No. 8 for the lease of network equipment to refresh older equipment located at the Yuba County Government Center. This is the 5th year of the lease and we are presented with the opportunity to purchase the equipment for \$7,500.00, rather than continuing to lease the equipment at \$3,353.21 per month. The County will realize approximately \$32,000 in savings over the next year by purchasing the equipment. Staff recommends the Board approve the termination agreement.
