

The County of Yuba

Administrative Services

TO: Board of Supervisors

FROM: Administrative Services, Haylee Stowe

SUBJECT: Approve release of Request for Proposals for Animal Care Services Fence Installation Project, and authorize Administrative Services to distribute.

DATE: February 13, 2024

NUMBER: 70/2024

Recommendation:

Administrative Services' staff recommends the Board of Supervisors approve the release of Request for Proposals (RFP) for Yuba County Animal Care Services Fence Installation Project, and authorize Administrative Services to distribute.

Background & Discussion:

Yuba County Animal Care Services was built in 2003, and provides shelter and services to animals. Currently there is fencing along the perimeter of the property, except for the frontage where the public entrance is located. Recently the County installed a generator in the parking lot. The objective of this project is to secure the area where the generator is located with fencing to protect against vandalism and non-approved entry into the facility after hours. In addition, this project will provide pasture access to the horses directly from their stables. The estimated cost of this project is approximately \$80,000. Staff recommends the Board approve the release of this RFP and authorize Administrative Services to distribute.

Committee Action:

This item is brought directly to the Board of Supervisors due to the routine nature of this request.

Fiscal Impact:

No funding commitment, administrative only, staff time only.
