SUBJECT: Adopt resolution approving the Gledhill Landscaping and Lighting District engineer's report and declaring intent to levy and collect assessments for fiscal year 2024-2025.

DATE: April 9, 2024

NUMBER: 144/2024

RECOMMENDATION:

The Department of Public Works recommends that the Board of Supervisors adopt the attached resolution approving the engineer's report and declaring intent to levy and collect assessments within the Gledhill Landscaping and Lighting District for fiscal year 2024-2025.

BACKGROUND:

Gledhill Landscaping and Lighting District was formed on July 1, 1993. Per the Streets and Highway Code an engineer's report shall be prepared and filed each year.

DISCUSSION:

The assessment, shown in the engineer's report, will provide revenue needed to operate the district for fiscal year 2024-2025. There has been no change in the assessment rate from last year's rate. There are 4172 dwelling units that are assessed at $13.20 for the total revenue of $55,070.40 for the fiscal year 2024-2025. These funds are used to operate and maintain Fernwood Park in East Linda and Friendship Park in West Linda. In particular, the funds will be used to maintain existing landscaping, repair recreational equipment, improve existing irrigation, install new irrigation and landscaping, and perform other work required to operate the district.

COMMITTEE ACTION:

The Land Use & Public Works Committee was bypassed as this action is routine in nature and occurs annually.

FISCAL IMPACT:

No impact to the General Fund, administrative time only. Assessments collected are used to operate and maintain the District.
