Clerk of the Board of Supervisors

TO: Board of Supervisors

FROM: Clerk of the Board of Supervisors, Mary Pasillas

SUBJECT: Adopt resolution approving Zoom for Board of Supervisors Meetings with the following guidelines. (Five minute estimate)

DATE: April 9, 2024

NUMBER: 172/2024

Recommendation
Adopt resolution authorizing the availability of remote teleconference to Board of Supervisors Meetings with guidelines.

Background
On February 28, 2023, the statewide COVID-19 emergency declaration expired and the state of California no longer required a remote teleconference option, the County of Yuba continued to offer the hybrid option. Zoom was no longer available at the Board of Supervisors meeting of November 28, 2023.

Discussion
On March 12, 2024, the Yuba County Board of Supervisors reached a consensus that the remote teleconference option used during the COVID-19 state of emergency be continued.

In compliance with the current state of California Brown Act requirements, a remote teleconference option may be used for public participation and under certain limited circumstances by members of the Board of Supervisors.

Zoom was the preferred method of remote teleconference used during the COVID-19 state of emergency and will be the method being used going forward.

Fiscal Impact: General Fund: $192.00 per year
