**TO:** Board of Supervisors

**FROM:** Wendell Anderson. Sheriff-Coroner

**SUBJECT:** Sheriff-Coroner: Approve the Memorandum of Understanding with the City of Wheatland regarding access to the Public Safety System Software, RIMS, and authorize Chair to execute

**DATE:** June 11, 2024

**NUMBER:** 316/2024

### **Recommendation:**

Approve the Memorandum of Understanding with the City of Wheatland regarding access to the Public Safety System Software, RIMS, and authorize Chair to execute.

### **Background:**

The Wheatland Police Department utilizes the radio communications and CAD system through the Yuba County Sheriff's Office. The implementation of the new public safety software system from Sun Ridge Systems required additional licensing for the Wheatland Police Department for use of the system. This system consists of multiple sub-systems including Computer Aided Dispatch, Mapping System, Mobile Computing System, Report Writing System, Law Enforcement Records Management and Jail Management Systems. The additional licensing and accessibility was required in order for the Wheatland Police Department to coordinate and respond to calls for service from the Yuba County Dispatch center.

### **Discussion:**

The existing agreement with Sun Ridge Systems requires licensing for both agencies to utilize the systems to enhance communications, coordination, and data sharing between Yuba County and the City of Wheatland. This Memorandum of Understanding articulates the appropriate use and responsibilities regarding the additions to the existing agreement with Sun Ridge Systems for the accessibility across the platform of public safety systems. Sun Ridge will bill the County in accordance with the existing agreement terms and the City of Wheatland agrees to reimburse any costs related to the Wheatland Police Department.
