

The County of Yuba

TO: Board of Supervisors

FROM: Director Environmental Health, Clark Pickell

SUBJECT: Community Development and Services: Adopt resolution confirming the report of delinquent solid waste charges and order of assessment to be placed on the property tax roll for fiscal year 2024-25.

DATE: July 23, 2024

NUMBER: 397/2024

Recommendation

Adopt a resolution confirming the report of delinquent charges and order of assessment to be placed on the property tax roll.

Background

The owner of any improved property within the mandatory pickup area is required to subscribe to and pay for refuse collection services rendered by Yuba Sutter Recology per County Ordinance 7.05.

Discussion

Yuba Sutter Recology submitted a report of delinquent accounts as required by Ordinance to the Yuba County Director of CDSA for all of the unpaid bills for the services rendered by them. Per Yuba County Ordinance 7.05, a hearing was held on June 21, 2023, which provided county residents an opportunity to have their names removed from the report. After the conclusion of the hearing process, the final report of delinquent charges and order of assessment was created. A resolution from the Board is needed to place this report on the property tax roll.

Committee Action:

Due to the routine nature of this resolution the Public Works and Land Use Committee was by-passed and the resolution was added to the consent agenda.

Fiscal Impact:

No funding commitment, administrative only, staff time paid for by fees under the fee ordinance.
