Recommendation

Staff recommends that the Board of Supervisors adopt a resolution appointing Doug Lofton to the Board of Directors for Three Rivers Levee Improvement Authority (TRLIA) as the At-Large Director.

Background
TRLIA is a Joint Powers Authority (JPA) that includes Reclamation District 784 (RD 784) and the County of Yuba. TRLIA's board is made up of five Directors – two members from RD 784, two members from the County of Yuba, and one At-Large Director. The At-Large Director shall be a person residing and owning real property within the geographical boundaries of Yuba County and is nominated by a majority vote by the other four Directors.

Discussion
A vacancy currently exists for the At-Large Director position, as the previous Director Gary Ledbetter has resigned. TRLIA's Board of Directors met on September 3rd, 2024, and discussed the caliber and knowledge of the applicant, Doug Lofton. The Board of Directors voted 4/0 to appoint Mr. Lofton to fill the At-Large Director position.

Fiscal Impact
There is no fiscal impact to the County, just administrative time.
