DATE: February 11, 2025

NUMBER: 46/2025

Recommendation:

Administrative Services' staff recommends the Board of Supervisors approve Amendment 3 to Agreement 901690 between Yuba County and NV5 for quality assurance services for the Medical and Mental Health Facility, and authorize the Chair to execute.

Background & Discussion:

Yuba County is constructing the Medical and Mental Health Facility adjacent to the current Jail/Courthouse structure located at 215 5th Street in Marysville. This project consists of designing and constructing a new stand-alone facility on county-owned land. The new building will provide special use housing, medical and mental health treatment and a secure corridor to the existing jail and support services.

NV5 has been providing quality assurance services for this project since 2022. Amendment 1 extended the contract term from December 2023 through December 2024. Amendment 2 extended NV5's services through the end of December 2025 and increased the not-to-exceed amount from $150,000.00 to $225,000.00. Due to the additional inspection requirements related to the spray-applied fireproofing on the second deck, the not-to-exceed amount needs to be increased from $225,000.00 to $300,000.00.

Committee Action:

This item is brought directly to the Board of Supervisors due to the nature of this request.
